# GATHER FOR THE GIFT

*Members of Share the Good Foundation attended the Gather for the Gift fundraising event for Gift of Adoption in Chicago.*

This year's Gather for the Gift event raised more than \$560,000 - enough to complete adoptions for 130 children. Gift of Adoption had nearly 380 guests in the room in Chicago to hear more about the GOA mission and an original song shared by Jeremiah, in honor of his son, Revel. Host Bob Long interviewed another former grant recipient, Mathias, who overcomes obstacles every day and is the very definition of the event theme, "See What's Possible." Guests also enjoyed a rousing live auction and paddle raise, which helped raise critical funds. Share the Good was proud to sponsor Gather for the Gift again this year.

To learn more about how you can make an impact in the lives of our adoption families, visit <https://stgfoundation.org/get-involved/>. We always need help from our STG families and supporters to create welcome home totes for the families we sponsor. Keep us in mind as you start on your holiday shopping, and help us SHARE THE GOOD!

RUN THE GOOD RACE

# YONKERS MARATHON

We're proud to share that Deanna Lomino represented Share the Good Foundation in the 2025 Yonkers Marathon—one of the nation's most historic races! As nearly 2,000 runners took to the streets for the 98th annual event, Deanna ran with heart and purpose, raising an incredible \$2,800 to support our programs for U.S. veterans. Her dedication reminds us that every mile matters when it's run for a cause. Thank you, Deanna, for sharing the good in such a powerful way!

Last month, Newburgh Buddy Ball took the field against the Highland Challenger League at the Historic Bosse Field—home to the filming of A League of Their Own—and our incredible players shined! From big hits to even bigger smiles, it was a day full of heart, teamwork, and unforgettable moments. We're already looking forward to the new season this spring!

# SHARE THE GOOD AWARD

## A LITTLE GIRL WITH A BIG HEART

Lorelei's compassion and generosity are truly remarkable, especially for someone so young! For her 5th birthday, instead of asking for gifts for herself, Lorelei chose to make a difference for others. She asked her friends and family to donate to support students at Caze Elementary School. Through her selfless act, Lorelei raised \$850 and collected boxes of school supplies to ensure students had what they needed to learn and thrive. Her efforts directly impacted many children and families in our community, showing them they are valued and supported. Lorelei embodies the spirit of the Share the Good Award by demonstrating how one small person can make a big difference. Her kindness created a ripple effect of joy and hope, inspiring others to give and serve as well.

## **FAQ's**

### **Q. Why should I donate through the STG Foundation?**

A. Frequently individuals are pressured after giving by receiving mailings, emails, phone calls, etc. When you give through the STG Foundation, we will allocate the money, making you anonymous in giving to the organizations. STG will regularly report the return on your investments by highlighting the successes of the organizations we are supporting. STG allocates 95% of all donations to the actual causes we are supporting. Additionally, we have a stringent process of vetting organizations to be sure they are financially accountable and highly effective before lending support. We require regular updates from each organization and are in regular communication. We feel this differentiates us, as our donors can be confident their monies are going directly to the need with maximized results.

### **Q. What is the easiest way for me to give?**

A. The easiest way to donate is by visiting our website [www.stgfoundation.org](http://www.stgfoundation.org) and clicking on the "Donate" button, which will direct you to our donation page.

### **Q. If I am unable to give financially at this time, what are some other ways I can make a difference?**

A. First and foremost, you can pray for us and those who are impacted through our giving. Secondly, you can SHARE SHARE SHARE! While you personally may not be able to give financially, you likely have those in your circle who can. While the mission of STG Foundation has been in motion for decades, the foundation itself is just now starting to grow and expand its audience. By helping us expand our reputation, you are making a difference and helping with our overall mission to impact our communities and our world. Lastly, if you are able to give of your time to represent the foundation and assist any of our partner charities, they can all use volunteers on any given day. We believe that everyone, no matter what obstacles we face, can Share The Good!

### **Q. Can you receive gifts from donor advisor funds (DAF)?**

A. Yes! The STG Foundation is able to receive gifts from donor advisor funds.

### **Q. Can I donate funds from my IRA?**

A. Yes, if you are age 70 ½ or older, you can donate your IRA directly to charity completely tax free! Can I donate assets other than cash? Yes, you can donate appreciated securities like stocks, mutual funds and ETF's, and you receive the full fair market value as a tax deduction yet neither you or the charity pay capital gains taxes!

### **Q. How do I know the organizations my donations are going to are legit?**

A. Each charity is vetted with pre-determined criteria to ensure that the vast majority of the money given directly impacts the cause. The STG Foundation will ensure your donation delivers a real and meaningful impact. Most of the organizations, whenever possible, are vetted through in-person visits from STG board members, which allows us to maintain personal relationships with each organization as well.
